## Spirulina Wraps

**Ingredients for 10 wraps**

**Preparation time: 10 minutes**

Ingredients Wraps

- Spirulina Cracker mix
- 300 ml water
- 1 teaspoon salt

Ingredients topping

- Salmon (if veggie without salmon)
- Cucumber
- Sesame
- Cress
- Vegetable yogurt

### Preparation

Mix all the ingredients for the wraps together in a bowl. Place the mixture between 2 baking sheets and roll out into wraps.

Fry the wraps in a pan like pancakes.

Siege with vegetable yogurt, (salmon), cress, cucumber and some sesame seeds to finish.

**Tip:** you can fill the wraps as you wish. Do you eat veggie? Replace the vegetable yoghurt with spreadable goat cheese: delicious!

Enjoy your meal!
